Entt: Letter No. 4538 dated 3rd July 1919
from the Dist: Magte, B. & M. Str Bangalore

SUBJECT

Regarding the counting of ^{military} services of Indian
Ex-soldiers who enlist in the Station Police
on discharge from the Army.

(1)

Please see Madras Police Order
No: 84 and Bangalore Police Order No: 197.

The Dist: Suptt: of Police, B. & M. Str,
Bangalore says that Indian Ex-soldiers
who enlist in the Madras Police on
discharge from the Army are permitted
to count their military services duly
verified towards increments and he
recommends that a similar concession
may be shown to the Indian Ex-soldiers
who enlist in the Station Police Force.
The proposal appears to be a reasonable
one. The concession may, if approved,
be granted after consulting the Accountant
General, Madras. Draft submitted for
approval.

I think I am correct in saying that
the C.C. has sanctioned this in the case of
the Cong Police Force? The question is whether,
as Resident, he is empowered to sanction the
proposal in the case of the C.M. Station

Police Force. Is it because Office are now
certain about this point that they
prefer referring the matter to the A.G.
house?

10/7/19

Please see Sls. 5 & 8 of Booy File $\frac{177}{1914}$.
In Home Dept's letter No: 75, dated the 9th
April 1919, the Govt: of India said that
they have no objection to Indian ex-
soldiers who enlist in the Booy Police
on discharge from the Army to count
their military services towards increments.
Similar orders have not ^{been} received in
the Resident's office. The sanction of
the Govt: of India, therefore, appears
to be necessary for extending similar
concession to B. & M. Station police.
If approved the Govt: of India may be
addressed in the matter. ^{but the Asst. Secy may find a solution.} Submitted

The Resident's Proceedings No. 1222, of

Following provision the S.P. might
perhaps be allowed to sanction rewards
up to 100/- to police officers of and below

of circumstances?

Para 215 of the Madras Police

SUBJECT.

Revision of the Bangalore C. & M. Station
Police Orders.

Submitted:

Now that it is proposed to re-examine and overhaul
the entire Police System of the Station, a brief
history of the Station Police Orders is put up for
information.

A Manual of Standing Orders for the C. & M.
Station Police was compiled as far back as ^(a)1888
under the direction of Mr. Lawcott, who was then
in charge of the Station Police.

In 1893 the question of the revision of the Manual
was raised, but the revision was put off as it could
not then be taken up.

As it was considered necessary to revise the rules
partly because they had never been properly
authorised - the Resident's sanction had not been
applied for - and partly because some of the
rules were glaringly at fault, the J.S. P. revised
the orders on the lines of those in Madras in
the year 1901, and submitted them for approval
to the Resident.

The draft was however held over to await the result of
the Govt. of India Orders on the Police Commr's
Report and the new Police Act which was to be passed
into law.

Despite, the draft was taken up in 1908, as it was
considered unnecessary to wait for the passing of.

I will therefore be sure that the Station P.O.

The Madras P.O. were reprinted in 1917.

The District Supdt. of Police, Bangalore
Station, has from time to time applied for and
obtained sanction to amend whenever necessary
the local police orders to bring them on a line
with the existing Madras P.O.

The Supdt. now suggests that for the more
efficient working of the Dept. it would be
advisable to introduce the entire body of the
rules contained in Madras P.O. Vols. I to IV
with such modifications as would be necessary
to render the orders adaptable to local use.
He also recommends the adoption of the
standardised forms in use in Madras.

For this purpose, he requests sanction to the
deputation of Mr. Roberts Inspector, to the Office
for a period of two months for the purpose
of examining the Madras P.O. with a view
to suggest modifications for their adoption in
the station. Mr. Roberts place it is proposed to
give to Sup. Inspector, Rajagopal Chetty, sanction
to whose appointment is also requested.

The extra cost involved is small, and can as is
stated be met from savings under 20A. Police.

(7) The District Magistrate is in entire agreement
with the suggestion and the Resident as D. C.
and Local Govt. are authorised to make the
guidance of the station police.

The suggestion may be accepted and a draft letter

Inspector Roberts is in receipt of a salary of Rs 300 per mensem.
X. Art. 81 C.S.R. Salary + deputation (duty) allowance of $\frac{1}{5}$ salary = Rs 360.

J. 172 Inspector Roberts has been on deputation in the office since

V. 8 expired with the manager's return from leave. It has been

L.V.C. If the deputation of Inspector Roberts is extended for a
further period of 3 months till 6th November 1921,
then the aggregate period will exceed the maximum of
6 months which is admissible under Rule 3(b) at 49.

It is approved. Sanction may be communicated to the
retention of Mr Roberts in the office till 6th September 1921,

informed that the Resident is prepared to sanction
extension for this period which is the maximum
admissible under the rule aforesaid.

It does not seem necessary to consult the A.C. General

this matter have been clearly laid down in the rule
mentioned.

The Manager is due to return from leave on 7-1-1922.

Two alternative proposals have been submitted by the

D. F. P.

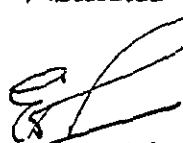

- ① to obtain the sanction of the Government of India to the extension of the deputation of Inspector Roberts and the grant to him of a deputation allowance, for the 'further period' desired by the D. F. P. i.e. till 7-1-1922.
- ② the retention of Inspector Roberts in the office for this further period, and the continuance of the acting arrangements made thereunder, without payment of allowances.

As regards ① if approved the Government of India may be addressed, but it seems necessary in the first instance to ascertain from the D. F. P. whether the allowances proposed to be paid to Inspector Roberts for the 'further period' of his deputation, - and for the acting arrangements made in this behalf, will be met from the Police Budget, under "26 A - Police, District Executive Force".

As regards ② it seems that departmental arrangements for the continuance of the public service can be made without any additions to salary. Please see, Art. 71 (a) C. F. R.

The latter seems financially the more satisfactory arrangement, and it would obviate a reference to the Government of India. But the former has been recommended by the D. F. P.

Inspector Roberts was deputed to the office initially for
a period of two months from 6th March 1921. His
working of D.S.P's Office & Store
duty was to overhaul the station system and examine the
the Madras Police Orders, with a view to their adaptation
to local needs. Besides revising the Madras Police
Orders it seems that Mr Roberts' special deputation
consisted also in examining the Police Office, and
overhauling the work there generally. Both these
duties constituted the special work for which a.

The special work for which Mr. Roberts was put on deputation will be completed within the six months ending 6th September, as far as the reorganisation of the office, Police orders and stores is concerned. He has, however, been doing the work of a P.H. to the D.H., in addition, very creditably.

In note 4, Mr. Roberts's pay is noted as 300-10-350.

This is correct. This is not the case. It is 300, the maximum he can attain.

He will do the manager's work in addition—

I do not press for allowances after 6th Sept. The two officers are both willing to continue in their appointments without allowances, until Mr. Birch returns in October, when the latter officer will make further proposals.

336A-1908

1921, without payment of allowances, may be approved. As for the period for which these arrangements should continue, from V. 15 it will appear that Inspector Roberts' deputation to the office was to continue till the Manager returned from leave, namely till 7-1-1922. (Please see para 5 of note) but from para 11 of his note, it seems probable that Mr. Foster desires the acceptance of his proposals, until Mr. Clive returns to duty, after which the latter officer will make further proposals. Mr. Clive is due to return on 18th September — four months from 18th May 1921, date of availing of leave. + Please see

Perhaps it will meet the case if the D. P. O. is informed that there is no objection to the retention of Inspector Roberts in the office and the continuance of the acting arrangements ^{made} in connection with the deputation, for such further period after 6th September 1921 as he may consider it necessary, provided that this arrangement is subject to the condition that no payment of allowances will be admissible after 6th September 1921.

No. Bang. 2- 8604

From

THE ACCOUNTANT-GENERAL,

MADRAS,

To

ENCLOSURES.

The First Assistant Resident,

Mysore.

SIR,

With reference to your Endt. No. 5591, dated the 16th July 1919, forwarding for remarks the proposal of the District Superintendent of Police, Civil and Military Station, Bangalore, to allow Indian ex-soldiers who join, on discharge from the ~~Army~~ Civil & Military Station Police Force, to count Military Service towards increment of pay, I have the honour to state that there is no audit objection to the proposal if it is considered that the increase of pay under recent reorganization (vide Government of India Foreign Political Department Memorandum No. 2024 E.I.A., dated 19.6.1919) has not proved sufficient and attractive for purposes of satisfactory recruitment. I would however point out at the same time that the sanction of the Government of India Foreign and Political Department would be necessary in this case also as it cannot be covered by the sanction of the Home Department relating to the Coorg Police.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Accountant-General,

No. 6384.

FROM

THE HON'BLE MR. H. V. COBB, C. S. I., C. I. E., C.B.E.

RESIDENT IN MYSORE.

To

The Political Secretary to the Government of India,
Foreign and Political Department.Dated Bangalore, 18th August 1919.

SIR,

I have the honour to state that the District Superintendent of Police, Civil and Military Station, Bangalore, has recommended that Indian Ex-soldiers who enlist in the Station Police Force on discharge from the army, should be allowed to count their military service,

- | | | |
|---|---|---|
| <p>134 -</p> <p>Ex. No. 5</p> <p>of Coorg 177/1919</p> <p>11/5/19</p> | <p>(1) Madras Police Gazette No. 21, dated the 7th June 1919.</p> <p>(2) Letter No. 74, dated the 9th April 1919, from the Government of India, Home Department to the Government of the United Provinces.</p> <p>(3) Letter No. 75, dated the 9th April 1919, from the Government of India, Home Department, to the Government of Burma.</p> | <p>duly verified,</p> <p>towards the incre-</p> <p>mental increase</p> <p>in pay granted</p> <p>to constables</p> <p>after 5, 10, and</p> <p>17 years' service.</p> |
|---|---|---|

This concession has been extended to the Police force in the Madras Presidency, the United Provinces and Burma, as will be seen from the Madras Police Gazette and the correspondence cited in the margin. It has been extended also, with the approval of the Government of India in the Home Department, to the Coorg Police Force.

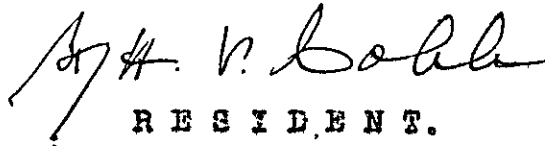

2. As there are many vacancies in the police force of the Civil and Military Station, I consider that the concession might, with advantage, be introduced here with a view to attracting men of the right stamp to the force. The increase, if any, in expenditure will be small and can be met by ~~reappropriation~~ ^{reappropriation}, and the same conditions should be made applicable as in the case of Coorg.

3. In the circumstances stated above, I commend the proposal to the favourable consideration of the Government of India.

I have the honour to be,

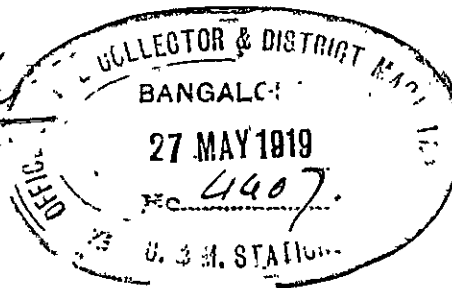

Sir,

Your most obedient servant,

RESIDENT.

I have the honor to invite a reference to the

S 70 Hon'ble the Resident's Proceedings No. 1222, dated 18th

February 1914, laying down rules for the grant of rewards
to Police Officers.

2. In para 3 of these proceedings, it was suggested that the question of Special Rewards (Secret Service) be submitted again after the issue of orders by the Government of Madras. These orders have been issued and have been in force for some time, and I have the honor to recommend that an allotment of Rs. 200/- per annum be provided as a separate item in the Police Budget, the expenditure under which being subject to the Superintendent's certificate only for purposes of audit. If detailed vouchers be insisted upon, it would not be possible to utilise the allotment to any appreciable extent, as in the majority of cases it would be undesirable in the interests of the department to disclose the names of parties to whom, and the circumstances under which, rewards had been granted or payments made.

3. If this proposal is approved, the following orders

which have been borrowed from the Madras Police may be incorporated in the Station Police orders as P.O. 246 (h).

"The Superintendent of Police is permitted to sanction, on his authority, expenditure from his allotment under Special Rewards to the limit fixed for the Civil and Military Station. We should submit quarterly statements of expenditure to the Hon'ble the Resident who will audit and control it".

Expenditure for the year 1920-21 may be met by reappropriation and that in future years will be provided for by separate allotment in the Police Budget.

SIR,

I have the honor to state that Form No. 98 (Medical History Sheet) is now issued to the Constabulary force in loose sheets and not in book form. As it is one of the permanent personal records of each man and has to be produced by him at kit inspections with the Sannad, and taken to Hospital when he goes sick, it is easily liable to be torn or lost. To prevent such a contingency, these sheets are bound in the Madras Presidency in the form of a book and issued to men. It is desirable that the same practice is adopted here also, and for that purpose, I would recommend that the form now in use be printed as per sample herewith. I might add that there is no difference between the form existing here and the one in use in Madras, excepting that in the latter, provision is made for the entry of such necessary particulars as a man's descriptive roll and the general remarks as regards his habit, conduct in service &c. These additions may be made to our form.

Sir,

(1) I have the honor to request sanction for the introduction of the Madras Police Orders, Volumes I to IV, mutatis mutandis, for the guidance of the Station Police.

(2) The existing Station Police Orders are in many ways antiquated and of very little use as an easy book of reference for the guidance of Station House Officers and the office.

(3) Some modifications will be necessary to adapt the Madras Police Orders to local needs; if my proposal is sanctioned, I will have the orders examined seriatim and submit for sanction such modifications as may be necessary. Along with the orders the standardized forms as in use in Madras and supplied by the Government Press may also be introduced here. This alone will have the effect of simplifying much of the work here, as at present many useless forms and registers, both in Stations & in the office are in use; in many cases, I am unable to trace any authority under which or the purpose for which they were introduced.

(4) Briefly, the whole work of the Police requires overhauling and bringing up to date, and I suggest the Madras Police Orders as the basis and standard on which to work.

1-3-21
1-4-21

1/1 with p.p.

They were revised and reprinted in 1917.

(5) The work of my office is particularly inefficient owing to antiquated methods of work and the general low standard of the personnel. Now that an increased scale of pay has been sanctioned for my office, I am desirous of overhauling the work generally before making new appointments in the vacancies which now exist. For this purpose I deputed Inspector Mr. Roberts to work temporarily in the office to explore in detail the ground for reform. The result has revealed even greater inefficiency than I anticipated.

(6) I now request sanction to Mr. Roberts's deputation in the office for a period of two months from the 6th instant and the appointment of Sub-Inspector Rajagopal Chetty in his place. Mr. Roberts duty will be to overhaul the work generally and examine the Madras Police Orders in detail and suggest modifications for their adaptation^{to} to local needs.

(7) I may mention that Mr. Roberts's services will be available whenever required in Broadway Division. It is possible that as a result of the overhauling of the work, a reduction in the number of clerks may be feasible.

(8) The extra cost involved will be Rs. 172/- which may be met from savings under head 20-A Police, District Executive Force, Pay & Allowances.

I agree with Mr.Clinch that the Station system requires to be completely overhauled and I am in favour, as I have always been in this and other matters, of approximating our system as closely as possible to that of Madras. To begin with, we employ Madras officers and we lose their experience to some extent if they are asked to operate a special system. Then, if we follow Madras, we get all the benefit of reforms effected there: we are not bound to follow any particular reform but we are at least kept mechanically aware (by correction slips) of the moves made by that Government. Thirdly, it appears to me to be wasteful to print special police orders for this Station: we should purchase the Madras Police Orders and effect modifications by a small inset or by slips. And lastly this may lead up to an interchange of officers between Madras and the Station. Already our sub-inspectors are trained at Vellore and it is reasonable that our men should operate the Madras system which they are sent to learn. If we follow their system, the Madras Government would be more favourably inclined to an exchange of officers.

Sir,

With reference to the correspondence ending with your letter No. 4295/336.A-1908 dated 7th May 1921, I have the honor to recommend, under Article 81 C.S.R., that Inspector Roberts be given ^{an} minimum deputation allowance of 1/5th of his salary from 6-3-21.

2. The grounds of my recommendation are that the Inspector in addition to ⁽¹⁾ revising the Madras Police Orders to adapt the same to the Civil and Military Station, is ⁽²⁾ re-organising the office and Stores. He has also been made to understand that he must at any time be available for duty with the Executive Police. These duties he is now engaged in involves a decided increase of work and responsibility in comparison to the ordinary duties of a Divisional Inspector. He is now really doing the duties of a Deputy Superintendent or Personal Assistant in the Madras Police.

3. No acting arrangements have been made in the vacancy caused by the absence of my Manager on privilege leave which would involve an expenditure of Rs. 85/- per mensem, whereas the deputation allowance proposed to be given to the Inspector will be only Rs. 60/- per mensem

The Secretary to the Hon'ble
the Resident in Mysore, Bangalore
Thro' The District Magistrate,
C & M Station, Bangalore.

Sir,

In enclosing herewith 3 sample Bad Character sheets I recommend that the present K.D. books in stations be abolished and be replaced by a set of sheets for each Bad Character. The present K.D. books are clumsy, obsolete in form and very difficult for purposes of reference. I am revising the registers of Bad Characters in the station and cutting down the number very considerably. The forms attached are in use in the Madras Presidency and were obtained by me while at Vellore. Reference will be easy and they will take up little room. In the event a Bad Character moving to Mysore Territory a copy will be sent and the original retained in case the Bad Character returns. In the event of a Bad Character moving from one of our stations to another, the sheets will be handed over in original - thus saving the waste of time now continually experienced (as the Bad Characters are always moving) in copying the history from one K.D. Book to another.
